November 16, 2020

Dear CCS Parents and Guardians,

I hope this letter finds you safe and well. Your flexibility and patience during these changing times is greatly appreciated as the district responds to Emergency Orders from MDHHS.

On November 15, 2020, the Department of Health and Human Services (MDHHS) issued the Emergency Order for Gatherings and Face Masks. Effective on Wednesday, November 18, in person instruction, sports and extracurricular activities for students in grades 9-12 are prohibited.

Clintondale High School in person students will transition to virtual learning beginning on November 18 per the Emergency Order. CHS in person students will take home all materials to continue their classes virtually by the end of the day on Tuesday, November 17. Teachers will provide directions for participating in virtual instruction. Class schedules will remain the same for students. This Emergency Order is in effect through Tuesday, December 8. The district will provide updates as information becomes available. If your student needs a device to participate in virtual instruction, please contact the help desk at 586-791-6300, extension 1110 or email [support@clintondaleschools.net](mailto:support@clintondaleschools.net).

The current schedule for K-8 students will remain in place. The district will continue to provide in person and virtual instruction. Please contact your child's principal if you have any questions or concerns.

Many important services will continue to be available for families. They include the following:

- Breakfast and lunch is available for pick up on Monday, Wednesday and Friday from 12:30-1:00 behind the middle school by the loading dock door.
- Gleaners will continue food distribution every other Tuesday from 3:00-4:30 in front of the middle school. They will be distributing food on Tuesday, November 17.
- The Clintondale Food Pantry will also continue food distribution on Wednesdays on the off week from Gleaners.
- Child care will be available at CHS from 6:00 a.m. to 6:00 p.m.
- The Ascension Health Clinic that is located at the high school is still offering services.

Thank you for all that you are doing to support your child during these challenging times. We appreciate your patience and understanding.

Sincerely,

A handwritten signature in black ink that reads 'Barbara VanSweden'.
