Barbara Van Sweden
Interim Superintendent

November 5, 2020

Dear CCS Parents and Community,

The months of November and December are traditionally a time for gatherings of family and friends to celebrate the holiday season. As we are all aware, there is nothing traditional about this year which is why I am reaching out to you today with some important reminders.

The district has been able to keep our schools open and safe as a result of the cooperation of our staff, students, parents and community. Our custodial team has worked diligently to clean and sanitize our school environments during and beyond the school day. Staff has carefully followed safety protocols to further ensure a safe, healthy environment. The district appreciates the partnership with parents and the community to help mitigate the spread of COVID-19 in our schools. This shared responsibility has been critical to providing a safe environment.

This shared responsibility also extends to the decisions we make beyond the school day. Please continue to make good decisions as you plan for the upcoming holidays and consider the ability to social distance and wear masks in these environments. We must follow the regulations from the Michigan Department of Health and Human Services (MDHHS) and the Macomb County Health Department throughout the holiday season. They will continue to be our partners in keeping students and staff safe and healthy during these unprecedented times.

Thank you for all that you have done to support our staff and each other during these challenging times. It is important that we continue to work together so that we can keep everyone healthy and safe in our schools.

Sincerely,

Barbara VanSweden
Interim Superintendent
